"Our School...Your Children...Their Future"

Dear Parents / Caregivers,

29.01.16

Welcome to our new school year. I'm looking forward to working together with you and your child. Thus far, the class has settled in well, and all students appear to be looking forward to Year 3.

In order for me to accommodate for your child, I would appreciate you filling out the attached information form. If you wish to discuss anything further, feel free to contact the school office to arrange a meeting. I am also available via email at molly.cresswell1@det.nsw.edu.au.

Below is a short list of some equipment students will need this year.

3C Equipment List

- HB lead pencils
- Coloured pencils
- Textas
- Enclosed pencil sharpener (so children do not have to get out of their seats to go to the garbage bins)
- Glue sticks – at least one each term
- Highlighters
- Packet of whiteboard markers
- Ruler (Wooden or strong plastic – not 'bendy' or metal rulers please)
- Eraser
- An A4 sized Homework Book
- Large pencil case for home reading
- Library bag
- Paint smock
- Chapter book
- All children must have hats to participate in outdoor activities.
- The children may have water bottles in the classroom, but must only contain water and not be frozen

I like to spend ten minutes a day in silent reading, as a way for students to cool down after lunch and recess, and switch on their minds for learning. A chapter book suitable for independent reading would be best to sustain interest throughout the term.

Thank you to those of you who have sent in tissues or such items already. We now have plenty of tissues, which should last throughout the year.

Please ensure that all items are **labelled** with your child's name, as things can easily get misplaced.

Attached is a short questionnaire, and I would appreciate if this page could be completed and returned to me as soon as possible.
