## **PRINCIPAL'S REPORT**

Dear Parents/Carer

### **Country Fair this weekend**

A team of extremely dedicated and hardworking parents are finalising the details of what will be a sensational fund raiser for our school. All we need is a little break in the weather and a huge crowd.

Thank you for your generous donations of books and bric-a-brac, crafts and cake ingredients and bottles for the auction. We are still accepting these items so if you have any pre-loved toys or books or household goods (not electrical) just bring them to our front office for sorting.

We have great gifts for the chocolate wheel and so much to see and do. It will be a great day for young and old.

The heavy rain has forced the late cancellation of our horse events but all other activities including the chainsaw competition and Hall displays, bands, jumping castles and more will entertain you as you enjoy a steak sandwich and fairy floss. Also some lucky winner will go home \$2000 richer if they get first prize in this years raffle. Again, thank you for your efforts to sell raffle tickets over the past few weeks. All raffle books should have now been returned to the school.

As we have done for many years, we will be selling fresh fruit salad on the day. Your generous support is again needed for this with Friday (tomorrow) morning our only collection time for any fresh fruits you can donate. Fruit may be left in the front office in boxes provided.

I look forward to seeing you all on Saturday 25th.

### **No Assembly this week.**

Due to the District Swimming Carnival and final preparations for Saturday we have cancelled our normal assemblies. Assemblies will resume on Friday March 2nd.

**Cricket Success**

A great effort from our cricketers when they played Kelso Public School. In a great batting display we scored 4 for 200 (8 runs per over!!). Nic Broes, 43 not out and Ben Parsons, 40 not out laid a solid platform with some excellent strokes. Scott Osborne (21) and Nic made an opening partnership of 80.

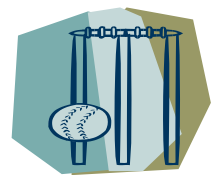

In reply Kelso managed 72 against some very consistent bowling.

Max Currie (3/3) and Frank Brown (2/6) both bowled well.

Well done boys

Cricketer Coordinator

**P&C NEWS**

Tuesday 14th February was our first meeting for the year. There were many various topics discussed. Such as school maintenance, progress of planning for the Gymkhana, canteen and clothing pool matters to name a few.

This weeks gold star award goes to Natalie Cole for taking minutes at the February meeting whilst nursing her 7 month old baby and her ongoing priceless support to the school and P&C. (Who said they were too busy to attend a meeting)

Gymkhana is on 25th February. This is a FANTASTIC event and also our major fundraiser.

Please note our next meeting is on the 13th March at 7pm. It is better to bring your questions or ideas to the meetings rather than leave it in the playground. Hope to see you there.

**Eglinton Dance Ensembles**

Congratulations to all those students who successfully auditioned as members of the Eglinton Public School Dance Ensembles. This year we are excited about the introduction of a Stage 2 Ensemble as well as our Stage 3 Ensemble. The Stage 2 rehearsal is held on Monday at lunch while Stage 3 will rehearse during lunch on Wednesday. The Ensembles will give students the chance to participate in quality dance performances at school and at other local and regional events including the Western Dance Festival (June 4<sup>th</sup> & 5<sup>th</sup>) and the Bathurst Eisteddfod. The Stage 3 Ensemble students are also working hard to prepare their audition video for School Spectacular. The Ensembles are coordinated by Mr Hanlon and the students work on their technical and performance skills with choreography by Jane Evans.

**School Banking**

Don't forget school banking each week. Hand the yellow bank book to your teacher at the beginning of each week or directly to the office staff. The school banking will be completed on Thursday and books returned by the end of the week.

To make depositing money at school each week even more exciting, kids can participate in the Rewards Program which recognises good savings behaviour and makes savings fun. Students will receive a silver coloured Dollarmites token every time they make a deposit to their savings account at school, regardless of the amount deposited. When they have collected 10 tokens, they can redeem them for a variety of exclusive Dollarmites reward items. This year the items include Money box, wallet, watch, drink bottle or lunch box.

Happy Banking
